👉 Brief Introduction about the Scenic Attractions:

Xi'an, Known as Chang'an in ancient times, is one of the famous historical and cultural cities in China. With a history of over 3100 years, Xi'an ranks the first in the seven ancient capitals in China and is known as one of the four major capitals with ancient civilization in the world together with ancient Rome, Athens and Cairo. Xi'an is rich in tourism resources.

Guilin is considered the most picturesque in China. Solitary water scarred Limestone Mountains rise out of the green plain, their peaks hidden in swirling mists of low-lying clouds. The city has been a favorite subject of painters and poets for centuries.

Shanghai, the largest city of China. As a port city, it boasts to be the commercial center. Like Beijing, Shanghai is an international metropolis, but is more open, modern and densely populated.
